

ELTON STRAUSS, MD
ASSOCIATE PROFESSOR of ORTHOPAEDICS
MOUNT SINAI SCHOOL OF MEDICINE

Title: Chief of Orthopaedic Trauma and Adult Reconstructive Orthopaedics
1985-present (2005)

Office Address: 5 East 98th Street
Box 1188
New York, NY 10029

Office Phone: 212-241-1648
Office assistant: Taneesha Ebo

Office Fax: 212-241-9710

Office E-mail: elton.strauss@mssm.edu; Elton.Strauss@msnyuhealth.org
bonesdoc@optonline.net

Citizenship: USA

Academic Appointments:

1999, 2000	Pfizer Preceptor Mount Sinai School of Medicine
1999, November	Visiting Profesor Facultad de Medicina Universidad Autonoma de Guadalajara Programa International Guadalajara, Mexico
1999, May	Visiting Professor and Surgeon Total Joint Replacements and Reconstructive Surgery Al Salama Hospital, Saudi Arabia
1999, September October	Ortho-McNeil Preceptor Mount Sinai School of Medicine
1998-present	Associate Professor in Orthopaedics Mount Sinai School of Medicine
1995-present	Clinical Associate Professor in Geriatrics And Adult Development Mount Sinai School of Medicine
1987-1998	Clinical Assistant Professor in Orthopaedics Mount Sinai School of Medicine

Hospital Appointments:

1999-present	Orthopaedic Consultant to the Wound Care Center, Osteomyelitis Division
--------------	--

Mount Sinai Hospital, NYC

May 1998-present Chief of Osteomyelitis Service
Department of Orthopaedics
Mount Sinai Hospital and Medical School, NYC

1997-present Orthopaedic Consultant to the Sickle Cell
Treatment Center
Mount Sinai Hospital, NYC

1997-present Orthopaedic Consultant to the Gaucher
Disease Treatment Center
Mount Sinai Hospital, NYC

1996-present Chief of Adult Reconstruction and
Problem Fracture Clinic
Mount Sinai Hospital, NYC

1995-present Chief of Orthopaedic Geriatrics/
Co-Director Ortho-Geriatric Service
Mount Sinai Hospital, NYC

1993-1996 Associate Director of Clinical Activities,
Department of Orthopaedics
Elmhurst City Hospital Center

1987-present Attending Orthopaedic Surgeon and
Chief of Orthopaedic Trauma and Adult
Reconstruction
Mount Sinai Hospital, NYC

1987-1995 Director of Orthopaedic Trauma Service
Elmhurst City Hospital Center

1981-1987 Attending Orthopaedic Surgeon
Hospital for Joint Diseases, NYC

1979-1981 Attending Assistant
Orthopaedics
Hospital for Joint Diseases/Orthopaedic
Institute

Education:

1976-1979 Orthopaedic Residency
Albert Einstein College of Medicine
/Bronx Lebanon Hospital Center
Chief Resident July 1978-June 1979

1975-1976 Internship
Albert Einstein College of Medicine
/Bronx Lebanon Hospital Center

1974-1975 Fifth Pathway
Coney Island Hospital

1970-1974 Universidad Autonoma de Guadalajara

Guadalajara, Mexico
Degree: Doctor of Medicine

1966-1970 Long Island University,
CW Post College
Greenvale, NY
Degree: BA, Biology

Licensure: 1978 New York State, #134039

Board Certification: 1981 American Board of Orthopaedic Surgery

Educational Activities:

Instructor annual anatomy course
Participant in daily resident conferences
Participant in weekly Wednesday subspecialty conferences
Participant in weekly Grand Rounds
Moderator of Trauma Grand Rooms Four sections per year 2002-2005
Orthopaedic Clinic Consultant June and December each year
Daily Floor Rounds with Resident Staff
Weekly office hours with resident staff
Annual mentor of third and fourth year medical students
Career Day participant for Mount Sinai Medical Students
Mentor to Orthopaedic Resident for duration of residency
Member of Education Committee 1987-2008
Operating Room Committee: 2006-2008

Memberships in Medical Organizations:

International:	1996-present	SICOT (Society Internationale de Chirurgie Orthopedique Et de Traumatologie)
	1992-present	International Society for Fracture Repair
	1988-present	AO/ASIF Alumni Society
	July 1981-1995	Fellow International College of Surgeons
National:	November 2003	Academic Orthopaedic Association
	1999-present	American Association of Hip and Knee Surgeons
	1999-2003	American Geriatric Society Advisory Board
	1998-present	Academic Orthopaedic Society
	1995-2002	American Foot and Ankle Society 1998 Subcommittee on Trauma 1997 Subcommittee on Arthritis
	1995-present	AO North America
	1994-2005	Orthopaedic Rehabilitation Association
	1992-present	Orthopaedic Trauma Association 1998 Editorial Board
	1985-present	American Academy of Orthopaedic Surgeons 2002-2007 Council on Education 2001-2004 Chairman, Committee on Aging

		1999-2004 Committee on Aging
	1984-present	American College of Surgeons
	1983-1995	American College of Sports Medicine
	September 1981-present	American Board of Orthopaedic Surgeons
	1978-present	American Fracture Society 2002 National Vice-President
		1992-1998 Regional Vice-presidents
State:	1992-present	New York Academy of Medicine
Local:	N/A	
Institutional:	2001-present	Mount Sinai Disaster/Bioterror Committee
	2001-present	Association of Attending Surgeons Mount Sinai Hospital
	1993	FPA Nominating Committee
	1993-1999	FPA Executive Committee
	1992-present	FPA Assembly
	1986-1998	FPA Building Committee
	1996	IPA Subcommittee on Finance
	1993-1996	Advisor to Mount Sinai Home Health Agency
	1992-1994	Consultant to OR Committee for Purchasing
	1992-1995	MSNYU Clinical Practice Standards Committee
	1991-2002	Mount Sinai Hospital - International Council
	1991-1992	Dean's Task Force for Appointments and Promotions Committee
	1986-present	Medical Student Preceptor
	1986-1994	Medical Records Committee
	1985-1990	Imaging Committee
Educational:	1986-present	Mount Sinai Hospital and Medical School Orthopaedic Department Committees (1997-2004 Morbidity and Mortality) (1988-2004 Emergency Room) (1988-2004 Resident Advisor) (1988-2004 Resident Selection) (1988-2004 Resident Education) (1988-1999 Director, Bio Skills Room) (1987-present) Educat Committee (2006-present OR Committee
	1979-1986	Hospital for Joint Diseases Orthopaedic Institute (Moderator of weekly Wednesday Adult Orthopaedic Conference:

Residents, Attendings, and Allied Health Staff)
 (Attending of weekly Wednesday Adult Orthopaedic Clinic: Residents and Allied Health Staff)
 (Attending participant in weekly Thursday fracture conference)
 (Attending in annual bio skills weekend course)
 New York, New York

Memberships in Non-Medical Organizations:

International:	N/A	
National:	2006-present 2003-present	North American Agility Dog Association Homeland Security; National Disaster Medical System. US Department of Health and Human Services, Rockville Maryland
State:	2006-present	Good Dog Foundation
Local:	1996-1998 1994-1996 1990-present	Board Member North Shore Country Club Vice President Roslyn Little League Vice President Long Island Chapter American Harp Society

Awards (Medically Related):

International:		Government of Saudi Arabia Certificate Excellence. Orthopaedic presentations And surgical procedures. May 1999.
National:	2001	Meyerding Award, American Fracture Association "Functional Outcomes of Non-Displaced Femoral Neck Fractures in Elderly Patients."
	1991, 1993	Wellmerling Award, American Fracture Association "Acetabular Fixation of Double Column Fractures"; "Fractures of the Os Calcis - Functional Outcome."
	1978	Finalist Committee on Trauma, American College of Surgery "Bipolar Arthroplasty in Fractured Hips." New York, New York
	1977	Presentation to Food and Drug
	1978	Assoc. Washington DC
	1979	Biomechanics and Results of Bipolar Arthroplasty. Winner Residents Night, New York State Society of Orthopaedic Surgeons

"Geriatric Hip Fracture Protocol for
Femoral Neck Fixation."
New York, New York

Rotating Hinge Device. University of
South Alabama Orthopaedic Department
Mobile, Alabama

November 17, 2005 Difficult Fractures in Older Adults.
North Shore Hospital, Plainview, NY

October 29, 2005 Fractures of the Plafond, Femoral Neck
Fractures, Intertrochanteric/Subtroc
Fracture Management with Total Hip
Replacement. Tri-State Orthopaedic
Meeting/ Howard Rosen Memorial
Lecture. Hospital for Joint Diseases,
Orthopaedic Inst., NY, NY

October 19, 2005 Treating the Elderly and Difficult
Fractures with Mega Prosthesis Replac.

University of Alabama School of
Medicine, Department of Orth.
Birmingham, Alabama

October 15, 2005 Periarticular Locking Plates,
Necessity or Luxury? NYS Society of
Orthopaedic Surgeons Symposium
Columbia University. New York

October 7, 2005 Trauma Conference presentation
Current Concepts Ankle Fractures

October 1, 2005 Common Hip Fractures; Knee Arthritis.
Orthopaedics for the Primary Care
Provider. Mt Sinai Medical Center
New York

September 30, 2005 Trauma Conference. Current Concepts
In Talus Fractures

August 5, 2005 Management of the displaced intra-
Articular fractures of the knee
Winthrop Medical Center, Minneola, NY

May 3, 2005 Periprosthetic Fractures and Locking
Plates. Staff Conference Huntington
Hospital, Huntington, New York

April 5, 2005 Fractures of the Femur and Peri-
Prosthetic Total Knee Fractures.
Harvard Faculty, Boston Mass.

March 16, 2005 Fractures of the Hip, "Fractures
Around Total Joints" 2nd Annual Make
Difference: Updates in Orthopaedic
Surgery and Musculoskeletal
Therapeutics. Marco Island. Florida

February, 2005 the Timing of Surgery for Hip
Fractures and Its Effects on Outcome
AAOS Annual Meeting. Washington DC

December 9, 2004 "Falls in Aging. National Conference on
Falls. Washington, DC.

November 6, 2004 Topic: "Should all Unstable Tibia
Fractures are nailed?" NYS Society of
Surgeons. Symposium 3rd Annual
Controversies in Orthopaedic Surgery
What's Hot and what's not? Columbia
University, New York.

October 30, 2004 Topic: "Fix or Replace Distal Femur
Fractures". Tri-State Orthopaedic
Symposium. Hospital for Joint Diseases
New York.

October 22, 2004 Topic "Primary Joint Replacement for
Fractures of the Lower Extremity in
Geriatric Fracture Patients".
Orthopaedic Rehabilitation Association
University of Penn.

October 12, 2004 Topic "Primary Total Joint
Replacement". Albany Medical Society.
Albany, New York.

October 13, 2004 Topic: "Primary Joint Replacements

Albany Medical Center, Department
Of Orthopaedics. Fractures about the
Knee

October 2, 2004 Topic: "Orthopaedics for the Primary
Care Provider. Fractures of the Hip,
Osteoarthritis of the Knee. Mt Sinai
Hospital

September 30, 2004 Topic: Roundtable discussion leader
Amer Geriatric Society. Reynolds
Grant "Portal of Geriatrics Online
Education". Westin Hotel. NYC

September 24, 2004 Topic" Fractures and Dislocations of
Talus and Subtalar Joint. Mt Sinai
Department of Orthopaedics.

September 13, 2004 Topic" Fractures of the Ankle"
Department of Orthopaedics
Mount Sinai Hospital, New York.

June 23-26 2004 Participant Academic Orthopaedic
Association meeting. Boston, Mass

: May 11, 2004 Topic: "Minimal invasive total
Arthroplasty course
Instructor and course
participant
Chicago, IL

Apr 15-16, 2004 Topic: "Aging in America"
Council on Education AAOS
Chicago, IL

Mar 25-26, 2004 Topic: "Fractures of the Distal Femur
and Fractures of Proximal Femur
Current Trends"
Marco Island, FL

Mar 17, 2004 Topic: "Primary Total Knee
Arthroplasty"
South Jersey Orthopaedic Group

Mar 12, 2004 Instructional Course Moderator and
Instructor: Osteoporotic Fracture
Management AAOS
San Francisco, CA

Mar 11, 2004 Aging in America: AAOS Interdis/
Plenary breakfast
San Francisco, CA

June 2003	Topic: "Cemented stems - a ten-year follow-up: uncemented total hips with HA stems in young adults" Rothman Institute Philadelphia, PA
June 2003	Topic: "Uncemented Femoral Stem using the Securfit Prosthesis" Rothman Institute Philadelphia, PA
March 2003	"Total knee arthroplasty after fractures of the femur" Grand Rounds, Jersey City Medical Center Jersey City, NJ
February 2003	Topic: "Orthopaedic geriatrics." Annual AAOS Conference New Orleans, LA
February 2003	Topic: "Improving functional outcomes in geriatrics" Annual AAOS Conference New Orleans, LA
February 2003	Topic: "Geriatric orthopaedic curriculum: why we need it" AAOS Council on Education New Orleans, LA
November 2002	Topic: "Fractures of the lower femur in geriatric patients" American College of Gerontology Boston, MA
April 2002	Topic: "Hip and knee surgery: state of the art" Orthopaedic Symposium Stryker-Howmedica-Osteonics Pinehurst, NC
May 2001	Topic: "Primary total knee arthroplasty in geriatric trauma" American Geriatric Society Chicago, IL
May 2001	Topic: "Primary total knee arthroplasty in the treatment of complex distal femur fractures in elderly patients" Leo Cooper X-Ray Forum, 63 rd American Fracture Association Annual Meeting Savannah, GA

May 2001	Topic: "The surgical treatment of Acromioclavicular dislocations: retrospective review" 63 rd American Fracture Association Annual Meeting Savannah, GA
May 2001	Topic: "Humeral head replacement in the treatment of proximal humerus fractures" 63 rd American Fracture Association Annual Meeting Savannah, GA
March 2001	Poster presentation: "Pain and delirium in elderly hip fracture patients" AAOS Annual Meeting San Francisco, CA
March 2001	Topic: "Principles focus on improving care of elderly" AAOS Annual Meeting San Francisco, CA
March 2001	Trauma Section Moderator AAOS Annual Meeting San Francisco, CA
July 28, 2000	Topic: "Fractures of the femur in elderly patients" International College of Surgeons Boston, MA
May 2000	Topic: "Balancing therapeutic options in osteoarthritis management" Annual Meeting of the American Geriatric Society Nashville, TN
May 1999	Scientific presentation: "Low-intensity ultrasound accelerates Jones-fracture healing" 61 st Annual Meeting and Scientific Program American Fracture Association Tucson, AZ
Sep 27, 1998	Topic: "Increasing geriatrics expertise in non-primary care specialties" American Geriatric Society/John A. Hartford Foundation Project Chicago, IL

May 1998	Topic: "Current concepts in lower extremity fractures—supracondylar fractures of the femur" Current Concepts at Camden Yards Baltimore, MD
March 1998	Topic: "Use of low-intensity ultrasound to accelerate fracture healing in acute fractures as well as reconstructions" Monmouth Medical Center Long Branch, NJ
March 1998	Moderator: "Rehabilitation of the geriatric-orthopaedic patient" Annual Meeting of the American Academy of Orthopaedic Surgeons New Orleans, LA
September 1996	Topic: "Treatment of Fractures and nonunions of lower extremity" Exogen Inc. Fracture Conference Orthopaedic Trauma Association Annual Meeting Boston, MA
May 1996	Topic: "Low Intensity Ultrasound for fracture healing" Orthopaedic Grand Rounds, University of Texas, Southwest Medical Center Dallas, TX
March 1996	Topic: "Recreational injuries in children and adolescents" Grand Rounds, Jersey City Medical Center Jersey City, NJ
February 1996	Topic: "Intramedullary nailing of fractures of the proximal tibia: report of a new approach" AAOS 63 rd Annual Meeting Atlanta, GA
February 1996	Topic: "Low intensity ultrasound for primary fracture healing" Guest Lecturer Annual Meeting of the National Football League Coaches Association Indianapolis, IN
January 1996	Topic: "Low intensity ultrasound for fracture healing" Guest Lecturer Grand Rounds, Jackson Memorial Medical Center

Miami, FL

August 1995 Topic: "Ultrasound treatment of fractures"
Boston City Hospital
Boston, MA

March 1995 AO Advanced Residents Course
Sun Valley, ID

February 1995 Topic: "Functional outcome after operative management of supracondylar femur fractures above or below orthopaedic implants"
AAOS 62nd Annual Meeting
Orlando, FL

August 1994 AO Residents Course
Syracuse, NY

June 1994 Topic: "Ultrasound stimulation of bone healing"
Morristown Orthopaedic Association
New Jersey

May 1994 AO Nursing Training Course
Somerset, NJ

October 1993 Topic: "History of Intramedullary Fixation"
INC Annual Meeting
Hilton Head, SC

October 1993 Topic: "Evaluation of intramedullary nails"
Synthes Annual Meeting
Hilton Head, SC

November 1993 Topic: "AO intramedullary femurs and tibial fixation"
Faculty Forum
Chicago, IL

April 1993 Topic: "Fourth generation intramedullary femoral rods – is there a role for Unreamed intramedullary rods?"
American Fracture Association,
55th Annual Meeting
Washington, DC

April 1993 Topic: "Salvage of the painful malunited os calcis fracture"
American Fracture Association,
55th Annual Meeting
Washington, DC

April 1993	Topic: "Functional outcome after os calcis fractures: surgically and Nonsurgical" American Fracture Association, 55 th Annual Meeting Washington, DC
January 1993	AO Residents Course Sturbridge, MA
October 1992	Topic: "Treatment of infected intramedullary nails by replacement reamed nailing" Orthopaedic Trauma Association Meeting Minneapolis, MN
October 1992	Topic: "Functional outcome of operative management of femoral shaft fractures below orthopaedic implants" Orthopaedic Trauma Association Meeting Minneapolis, MN
October 1992	Topic: "Residual functional deficiency after successful Posterolateral bone graft" Orthopaedic Trauma Association Meeting Minneapolis, MN
February 1992	Topic: "Functional outcome of collapsed intertrochanteric hip fractures fixed with sliding screws" AAOS 59 th Annual Meeting Washington, DC
May 1991	Topic: "Fractures of the acetabulum: to fix or not to fix?" American Fracture Association, 53 rd Annual Meeting Washington, DC
April 1991	Topic: "Ultrasound to enhance the role of fracture healing" New Jersey Orthopaedic Society, New York Society of Orthopaedic Surgeons' Annual Meeting Orlando, FL
April 1991	Topic: "Complex fractures of the acetabulum treated aggressively through one surgical approach" New Jersey Orthopaedic Society, New York Society of Orthopaedic Surgeons' Annual Meeting Orlando, FL

	May 1990	Topic: "Orthopaedic Trauma: The Next Challenge" 12 th Annual AAS Symposium Charleston, SC
	April 1990	Topic: "Ultrasound to enhance the role of fracture healing" American Fracture Association Annual Meeting Scottsdale, AZ
	April 1990	Topic: "Complications of proximal tibia fractures: secondary to open procedures" American Fracture Association Annual Meeting Scottsdale, AZ
	October 1998	Topic: "Hip fractures: psychiatry and medical comorbidities" Orthopaedic Trauma Association Dallas, TX
	November 1979	Topic: "Experience with the Bateman U.P.F. Endoprosthesis" New Jersey Orthopaedic Society Palm Springs, CA
State:	November 2003	Topic: "Subcapital hip fractures: fix or replace them?" 2 nd Annual Meeting of the New York State Orthopaedic Society Hospital for Special Surgery New York City, NY
	October 2003	Topic: "Primary total hip arthroplasty in elderly with acetabular fractures." Tristate Trauma Symposium Orthopaedic Institute, Hospital for Joint Diseases New York City, NY
	May 2003	Topic: "Proximal femur fractures" AO/ASIF Solutions of Fractures Plaza Hotel New York City, NY
	October 2002	Topic: "Fractures of the distal femur" Howard Rosen Memorial Lecture, Tristate Orthopaedic Symposium Orthopaedic Institute, Hospital for Joint Diseases New York City, NY

October 2001 Topic: "Bone stimulators in complex non-unions and delayed unions: fact or fiction"
Howard Rosen Memorial Lecture,
Tri-State Trauma Symposium of the
New York University and Hospital for
Joint Diseases
Hospital for Joint Diseases
New York City, NY

October 2001 Topic: "Treatment of geriatric fractures of the distal femur"
Grand Rounds,
Orthopaedic Department,
St. Luke's-Roosevelt Hospital
New York City, NY

June 2001 Topic: "Disability after fractures of the lower extremity"
Consumers Research Council Shields
Institute Plaza Hotel
New York City, NY

May 2001 Presentation: "A Weird Man"
AO North American Tribute to Howard
Rosen, MD
University Club
New York City, NY

October 2000 Topic: "Treatment of distal femur fractures"
Howard Rosen Memorial Lecture of
the New York University and Hospital
for Joint Diseases
Hospital for Joint Diseases
New York City, NY

October 2000 Topic: "Distal femur fracture: current concepts"
Tri-State Trauma Symposium of the New
York University and Hospital for Joint
Diseases
Hospital for Joint Diseases
New York City, NY

May 2000 Topic: "Current techniques in upper and lower extremity trauma"
20th Annual Orthopaedic Trauma Course,
Columbia University
New York, NY

January 2000 Topic: "Pain Management in Arthritis"
American Geriatrics Society Advisory
Board Meeting
New York City, NY

November 1999 Topic: "Treatment of fractures of the distal femur in geriatric patients"
22nd Annual Trauma Symposium of NYU and the Hospital for Joint Diseases, Hospital for Joint Diseases
New York City, NY

October 1999 Paper presentation: "Model of care: the orthopaedic-geriatric interdisciplinary team approach to the geriatric hip fracture patient"
27th Annual Conference New York State Society of Aging
Albany, NY

June 1999 Topic: "External fixation and principles of open fracture management—diaphyseal fractures."
AO/ASIF Principles of Fracture Management Course for Residents
Albany, NY

May 1999 Topic: "Arthritis and surgery"
Arthritis Foundation,
New York Chapter
New York City, NY

Dec 13-17, 1997 Topic: "The needs of the orthopaedists from the anesthesiologist"
Annual Congress of the New York State Society of Anesthesiologists
New York City, NY

June 1996 Topic: "Injuries to the wrist"
New York Dental Club
New York City, NY

April 1996 Topic: "Carpal tunnel and related injuries/syndromes"
Union Health Center
New York City, NY

October 1993 Topic: "Metaphyseal-diaphyseal fractures of the proximal tibia."
Annual Scientific Meeting of the Alumni,
Hospital for Joint Diseases
New York City, NY

June 1992 Topic: "Sports injuries to lower extremities"
Roslyn High School
Roslyn, NY

October 1991 Topic: "Infections following femoral shaft fractures"

Annual Scientific Meeting of the
Alumni of the Hospital for Joint
Diseases
New York City, NY

October 1991 Topic: "Role of bipolar endoprosthesis
in problems of the hip"
Alumni Association
Hospital for Joint Diseases
New York City, NY

Institutional: January 2004 Topic: "Resident conferences for
month, primary lecturer and
participant: current trends in
fracture management"

Educational: February 2003 Topic: "Treatment of problem fractures
of the lower extremity"
Department of Emergency Medicine,
Mount Sinai School of Medicine

January 2003 Topic: "Periprosthetic fractures of
the femur"
Department of Orthopaedic Surgery,
Mount Sinai Hospital

October 2002 Presenter of paper: "Current trends in
osteoarthritis"
Internal Medical Associates
Mount Sinai Hospital Center

December 2001 Topic: "Treatment of Osteomyelitis in
wound healing"
Clinical Wound Healing – Certificate
Course
New York Academy of Medicine
Department of Surgery,
Mount Sinai School of Medicine

October 2001 AO Principles: Part II, Training
Course
Lenox Hill Hospital

September 2001 AO Principles: Part I, Training
Course
Lenox Hill Hospital

April 2001 Academic presentations to the
orthopaedic resident staff: "Pilon
fractures," "Ankle fractures," "Os
calcis," "Talus fractures," "Lis Franc
fractures"
Mount Sinai Hospital

March 2001 Topic: "Minimally invasive orthopaedic
surgery for lower extremity fractures"
Mount Sinai Medical Center

March 2001	Academic presentations to the orthopaedic resident staff: "Open fractures," "Salvage of open tibia fractures," "Principles and complications of external fixation," "Femur fractures," "Distal femur fractures," "Rehabilitation of knee and ankle" Mount Sinai Hospital
March 2001	Topic: "Current concepts of bone grafting" Mount Sinai and New York University Staff Meeting
April 2000	Topic: "Management of traumatic orthopaedic injuries" Department of Rehabilitation Medicine, Mount Sinai Medical Center
December 1999	Topic: "The painful hip" Grand Rounds, Department of Medicine, Mount Sinai School of Medicine
November 1999	Topic: "Treating musculoskeletal problems in the geriatric patient: are you prepared?" Symposium on the Geriatric Foot and Ankle Mount Sinai School of Medicine
Oct 7, 1998	Topic: "Degenerative arthritis of the knee" Grand Rounds Mount Sinai Medical Center Rehab
September 1998	Grand Rounds presentation Geriatric Department Mount Sinai Hospital
Jul 1998	Topic: "Radiographic interpretation for the RPT" Grand Rounds Mount Sinai Medical Center Rehab
May 1998	Grand Rounds presentation Orthopaedic Surgery Department Mount Sinai Hospital
May 1998	Poster presentation: "The orthopaedic-geriatric hip fracture team: a specialty service" Nurses Week. Department of Nursing, Mount Sinai Medical Center

May 1998	Poster presentation: "Model of care: the geriatric-orthopaedic interdisciplinary team approach to hip fractures" Nurses Week. Department of Nursing, Mount Sinai Medical Center
May 1998	Poster presentation: "An innovative model of interdisciplinary geriatric education" Nurses Week. Department of Nursing, Mount Sinai Medical Center
March 1998	Grand Rounds presentation Rehabilitation Medicine Department Mount Sinai Hospital
January 1998	Emergency subspecialty conference M Mount Sinai School of Medicine
Nov 26, 1997	Topic: "Treatment of supracondylar fractures of the femur" Orthopaedic Grand Rounds, Mount Sinai Hospital
Nov 17, 1997	Topic: "Management of injuries to the talus" Orthopaedic Rounds, Elmhurst City Hospital Center
November 1996	Topic: "Intramedullary nailing techniques" Trauma Conference City Hospital Center
November 1996	Topic: "Arthritis of the hip" Internal Medicine Department, Mount Sinai Medical Center
April 1996	Topic: "Management of the multi-trauma patient" City Hospital Center
March 1996	Topic: "Techniques of fracture healing" Guest Lecturer for Medical Students Mount Sinai School of Medicine
December 1995	Midas Rex Training Coordinator
October 1995	Regional Foot and Ankle Resident Review Course Columbia Presbyterian Medical Center
April 1995	Topic: "In service - traumatic ankle injuries"

Department of Rehabilitation
Medicine,
Mount Sinai School of Medicine

February 1994 Topic: "Emergency treatment of hip
fractures"
Emergency Medicine Department,
Mount Sinai Hospital

May 1993 Topic: "Fractures around the knee"
Grand Rounds, Sports Therapy
Department, Mount Sinai Hospital

May 1992 Sports Medicine Seminar
Mount Sinai School of Medicine

October 1991 Topic: "Sports-related elbow injuries
at the professional recreational
level"
14th Annual AAS Symposium
Mount Sinai Hospital

October 1991 AO/ASIF Continuing Education
Residents-Basic Course Instructor

May 1991 Topic: "Fractures of the acetabulum:
to fix or not to fix?"
13th Annual AAS Symposium
Mount Sinai Hospital

April 1990 Course Chairman
Orthopaedic Trauma Symposium
Mount Sinai School of Medicine

February 1990 Geriatric Review Course
Mount Sinai School of Medicine

August 1989 Course Chairman
AO Training Course
Northeastern Nursing Conference

March 1989 Course Chairman
Orthopaedic Trauma Symposium
Mount Sinai School of Medicine

1987-1988 Orthopaedic emergencies monthly
meeting
Emergency Room Faculty,
Mount Sinai Hospital

October 2001 Topic: "Functional outcomes of non-
displaced femoral neck fractures in
elderly patients"
Orthopaedic Trauma Association Annual
Meeting, Minn, Minnesota

May 1992

Topic: "Functional outcome of collapsed intertrochanteric hip fractures fixed with sliding screws"
Orthopaedic Trauma Association Meeting

May 1992

Topic: "Timing of internal fixation in low velocity gunshot wounds"
American Fracture Association 54th Annual Meeting. Washington DC

May 1992

Topic: "Operative management of femoral fractures below previously placed orthopaedic implants"
American Fracture Association 54th Annual Meeting
