Dr. Elton Strauss
5 East 98th Street
New York, N.Y. 10029

Dear Dr. Strauss:

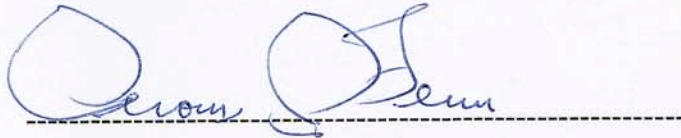

Please accept my thanks and gratitude for your successful surgery in repairing my right hip. The result has been excellent and recuperation without pain.

Dr. Strauss I must commend you not only as an excellent surgeon but above all as an individual with a tremendously warm personality. These characteristics are indispensable in your profession.

Again I thank you for restoring mobility to my right leg.

Also I am enclosing a Nassau County PBA card.

Gratefully,
